HEALTH GUARANTEE & DOGUE DE BORDEAUX PUPPY SALES AGREEMENT

NOTE TO PURCHASE OF GOOD FAITH: All canines have the potential for genetic or congenital diseases. Due to the nature of some diseases, the concerns cannot always be eliminated. It is the job of the breeder, through selective breeding to try and minimize (not eliminate) these conditions – in good faith. Please read, to your full understanding, the following sections of this Health Guarantee and Sales Agreement concerning any contagious or hereditary defects.

Cheri Escobar, (Almond Blossom Bordeaux), shall hereinafter be referred to as the “Breeder.” The original purchasing party, and solely the original purchasing party, shall hereinafter be referred to as the “Buyer.”

1.) Payment Terms: A \$1,000 deposit is required to reserve the puppy. The balance must be paid in full prior to Buyer taking ownership of the Dogue de Bordeaux. Shipping costs are not included in the sales price. Payment is to be made in cash, money order, or bank certified check. If full payment is not received within 5 days after the puppy’s 6-week birth-date the puppy will be offered to other parties. There are no refunds of deposits unless the puppy is found to be unfit for sale.

2.) This puppy is sold as a companion pet and not to be used for breeding. Buyer agrees to have puppy spayed/neutered no later than 24 months of age and no sooner than 18 months of age. This puppy will be issued an AKC Limited Registration. A photo copy of the registration application will be provided upon request. Once proof of spay/neuter is received the original registration application will be mailed or emailed to the Buyer. If this dog is found to have been used for breeding, it will be considered a Breach of Contract.

3.) This puppy is sold with no known health or genetic defects. Breeder certifies the puppy is in good health and has been immunized and de-wormed and has supplied Buyer with the immunization record, health certificate, microchip and de-worming records. Buyer agrees to have the puppy examined by a veterinarian within the first 72 hours of taking possession of the puppy at the Buyer's expense. If the veterinarian does not give the dog a clean bill of health, Buyer must notify the Breeder immediately. Breeder reserves the right to have the puppy re-examined by the Breeder's veterinarian at Breeder's cost. A copy of the examination results must be sent to the Breeder by email within 5 days of receipt of the puppy, failure to provide examination results will render this Health Guarantee null and void.

4.) Any condition that is minor, correctable or a breed-related minor condition is not covered and no condition which could go away, or is considered to be a condition which a puppy will likely grow out of is covered. If within the first 72 hours, the puppy is found to be of unsatisfactory health, Breeder will resume possession and at the Breeder's choice either refund the Buyer the purchase price of the puppy or replace the puppy with the next available puppy of equal value. Breeder will not be responsible for any veterinarian costs or medical expenses prior to the return of the puppy. It is the Buyer's responsibility to return the puppy to the Breeder at the Buyer's expense. Breeder does not accept responsibility for contagious disease diagnosed after 3 days from date of purchase.

13.) This puppy is being sold as a pet companion only; no guarantee is made as to the disposition, conformation, size, or weight. We have no control over their environment after they leave us.

14.) If, for any reason, Buyer can no longer keep this dog, Buyer will give Breeder first opportunity to take the dog back. If the Buyer returns the puppy for any reason it will be on a surrender basis only with no refund. In the event of a re-sale on the part of the Buyer, the Buyer must notify the Breeder with the new name and address of the new Buyer and it must be approved by the Breeder first. Buyer agrees not to sell this dog to any retail company or establishment.

15.) The value of the puppy for the purpose of this Health Guarantee and Sales Agreement is solely the original purchase price of the puppy and does not include transportation costs, health certificate, medical bills or any additional costs declared by the Buyer. Transportation costs cannot be refunded

16.)
